CHROMEBOOKS!

Parents~

We have a limited number of older Chromebooks available! These Chromebooks no longer meet the minimum standards for use in our Google Education account and school use but are good for a backup or as a personal use Chromebook!

If you would like one for home use, please send a note to the office and we have one available for pickup. These are “as-is units”, and we will make sure they are functional before pickup. If it fails within 10 days, we will replace it if we have units available or our inventory is exhausted!
