School Sisters of St. Francis of Christ the King

September 2025

Announcement to Principals and Educators:

The School Sisters of St. Francis of Christ the King are again offering tutoring help in a designated tutoring area at Mt. Assisi Convent and in the Alvernia Building. Former teachers with many years of experience are ready to work with individual students who need reinforcement with learning skills, especially reading, math, writing, and organization.

We will begin these sessions the week of October 6, 2025. A free-will offering is appreciated for this tutoring help.

Because of popular demand last school year, we are also offering a tutoring class in Mathematics for 8th Graders before their high school entrance exams. This will be on Saturdays from 10:00 to 10:45 from October 11th through the Saturday before the scheduled Catholic High School Entrance Exams.

For further information or to register, please contact Sr. Marjorie or Sr. Jimene at 630-257-7495.

Thank you.
