Thank You!

Andy Dostal and Joe Martello~

**Thank you both so much for everything you did
to make our school car raffle such a success!**

**We truly appreciate all the time, effort, and energy
you put into helping organize, promote,
and support the raffle.**

**Your generosity and willingness to help our school
community means more than you could ever know.**

**We are so extremely grateful and blessed to have people
like you who are willing to go above and beyond
to support our students and school!**

Thank you again for everything you did.

We couldn't have done it without you!

A Heartfelt **THANK YOU**

A heartfelt THANK YOU to Susan Bradac and Nick Marzek, and to everyone else who has given so much of their time, energy, and heart to our school carnival!

Several years ago, they took the initiative to start this exciting tradition, and throughout those years they continued to give countless hours of their own time to make it a success. They worked behind the scenes, took care of the endless details, and gave so much of themselves, all for one very important reason~ to raise money and support our school and our children! Their dedication, generosity, and commitment have made a lasting difference. The carnival is more than just an event; it is a tradition built on community, love, and selfless service.

We are incredibly grateful for everything!

Thank you, from the bottom of our hearts, for all that you have given to our school! We are beyond grateful!

Your hard work and dedication will never be forgotten. ❤️

SS Cyril & Methodius School Technology

In reviewing our current technology plan at SSCM, we will continue to standardize Chromebooks as the preferred platform for students to use in school. It has also been determined that SSCM will not support any tablet-based OS systems, Windows or Mac based computers, for student use in school going forward. The differences in the operating systems make it difficult for our staff to manage the learning experience for our students.

SSCM will continue to implement the “BYOD” (Bring Your Own Device) model for the 2026/2027 school year with the 5th, 6th, 7th and 8th grades. Students in these grades will need to bring their own device to school each day.

The Junior High students use their devices in a variety of ways throughout the school day. They are used in online Reading and Math programs, online schoolbooks, testing, school assignments, assessment testing, doing homework, etc.

The following are the minimum Chromebook specifications. These specs were found to be the best compromise between performance and cost. The information below is provided as a resource for parents. Parents may choose to purchase any make or model of Chromebook. The specifications are provided as a guideline.

Chromebook Minimum suggested specifications (an educational model or ruggedized version preferred)

11” screen (or larger)	8gb’s of RAM	32gb Internal Storage
USB port(s)	Optional SD/MMC card port	Optional HDMI
A protective carrying case (recommended)		

Parents may purchase a Chromebook from any preferred store, or you may choose to purchase from one of our vendors, PC Nation, Brad Swidler at 847-504-2184 or online at pcnation.com.

The following link is for the model we purchase from PC Nation:

Returning to St. Cyril & Methodius September 13th at 9:30 Mass!

“The Children’s Liturgy of the Word”

When? Every Sunday during 9:30 AM Mass, September 13th through May 30th except Easter and Mother’s Day.

Why? A wonderful way to help children grades K-4 better learn and live the Sunday readings.

How does it work?

1. **GATHER:** Families with participating children please sit in the **front half of church** during 9:30 Sunday morning Mass, preferably **near the middle aisle**.
2. **LEAD:** As soon as opening Mass prayer is complete, and before the readings, the Adult Leaders and teen helpers will approach the altar in the center front of church carrying the book of Gospels.
3. **LINE UP:** Children in grades K-4 quietly and quickly line up behind the leaders with their hands folded. The teen helpers will assist and guide them into the line.
4. **BLESSING:** The priest celebrating Mass will bless the group, and then the children will devoutly move from the front of the church to the PLB meeting room.
5. **LEARN:** During this special 10–15-minute session, the Adult Leaders guide the children through simplified prayers, songs and the scripture readings of the day. They will do an activity to reinforce the lesson, then recite the Creed and their own Prayers of the Faithful.
6. **RETURN:** During the Offertory, the children will quietly process back into the church and return to their parents in the pews.

*Thank you to all the adult and teen volunteers
who make this opportunity available to our children each week.
Thank you to the parents who have so beautifully trained their children to be good!*

*Jesus said, “Let the little children come to me, and do not hinder them,
for the kingdom of heaven belongs to such as these.” Matthew 19:14*
