Here's to a November filled
with smiles, laughter, kindness,
and a little extra gratitude!

Special Guest Day!

On Tuesday, November 17th, SSCM will celebrate our Special Guests!

We warmly invite all of our Special Guests to join us in the gym at 7:40 a.m., before our 8:00 a.m. Mass. They will meet up with their special student(s) before walking over to church together.

Following Mass, students and their Special Guests are invited back to the gym to enjoy a little social time together!

For those who are unable to join us, please know that you are just as special and are being remembered with love!

We look forward to celebrating the special people who mean so much to our students!

Legends & Lore

Unleashing Creativity through Myths and Mystery

A 6 Week After-School Art Adventure for K-6th Grade

Let your child explore magical myths and creatures from around the world! In Legends & Lore, kids bring stories to life using Crayola® materials like painting, sculpting, and more.

Each week, your child will:

- Discover mythical beings from different cultures.
- Learn storytelling through sculpture, painting, collage, and more.
- Explore legends tied to nature, emotions, and imagination.
- Bring home Crayola® materials and one-of-a-kind artwork.

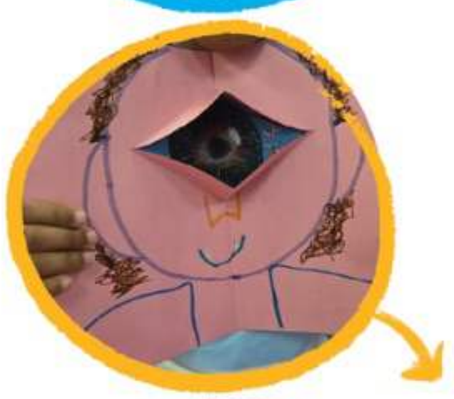

Limited spots available - Don't miss out!

Why You'll Love It:

- Encourages creativity, curiosity, and cultural awareness.
- Combines storytelling with hands-on fun.
- Builds art skills through painting, sculpting, and mixed media.
- Weekly take-home artwork and materials included.

Kids Will Explore 6 of the following:

Clay Guardians – The Golem

Kids learn about the Golem, a mythical protector from Jewish folklore, and sculpt their own clay creature inspired by this powerful tale of strength and purpose.

Creatures of the Deep – The Kraken

Inspired by sailors' sightings of sea creatures like the giant squids, kids create dramatic Kraken sculptures using mixed materials to explore the art of storytelling through sea legends.

Cave Crawlers – The Grootslang

Dive into the legend of a cave-dwelling beast from South Africa that's part elephant, part serpent. Kids sculpt their own Grootslang using Model Magic™ and bring it to life with color.

Fantastic Tales – My Creature

Time to invent your own myth! Kids create their own legendary creature and backstory, then design a one-of-a-kind creature card with collage and mixed media.

Mysterious Waters – Lake Serpents

Inspired by First Nations legends in the Great Lakes region, kids paint colorful lake serpent scenes using watercolor techniques to explore the mystery of creatures said to dwell beneath the waves.

Sea to Sky – The Kun Peng

Learn the Chinese legendary animal that swims like a fish and soars like a bird. Kids use watercolor and crayon-resist techniques to paint this epic creature in flight.

Prowling Tricksters – The Manticore

Kids journey into ancient Persian mythology to meet the mysterious Manticore—a creature with a lion's body, human face, and scorpion tail. They'll sculpt a 3D relief and create a hiding place for their creature using mixed media.

Wide-Eyed Giants – The Cyclops

Meet the one-eyed giant of Greek mythology! Kids use pop-up art techniques to build their own blinking, bold paper Cyclops.

Wings Ablaze – The Phoenix

From ashes to art! Kids paint a brilliant Phoenix on canvas while exploring themes of rebirth and resilience found in myths from cultures around the world.

Wooly Wonders – The Yeti & Sasquatch

Kids explore the mysterious stories of two legendary beasts and sculpt their own versions hiding in snowy mountains or forested trails.
